

Georges Mill Farm Artisan Cheese

2017 Artisan Cheese CSA

What is a Cheese CSA?

A CSA (community supported agriculture) is a relationship of mutual support and commitment between local farmers and community members. Customers pay the farmer an annual membership up front, which helps cover costs on the farm. In return, members receive a regular share of the production – for our members this would be local, artisanal goat cheese! CSAs are a great way to show support for your local farmers.

Benefits of membership

- Regular supply of delicious cheese, while supporting a local farm!
- CSA membership reflects a **7% discount** compared to purchasing the same amount of cheese each week at a farmers market or our farm store
- Being a CSA member gives you the opportunity to get to know the people and animals who are producing your food. Come meet the new baby goats in the spring, play with them each week, and watch them grow! Set up a time to help bottle feed the babies, or come see milking time to learn more about our farm.
- **\$1 off all our products** at farmers markets & our farm store (a 10% discount)

Vacation Policy

We understand that many families go on vacation during the summer and may be concerned about missing CSA pickups. We are happy to allow vacation makeup once per season (skipping a week and doubling up another time), provided we are given at least one week's notice prior to the missed pickup. Makeup can be done at any point during the season, again with one week's notice.

CSA Shareholder Agreement

I understand that payment for a share of the Georges Mill Farm Artisan Cheese 2017 CSA entitles me to a share of cheese. This is a commitment between myself and Georges Mill Farm Artisan Cheese, LLC, and I recognize that I will share in the risks of the milking season along with other members and the farmer. It is my responsibility to pick up my share on time or to contact the farm to make other arrangements. I understand that pick-up times will be assigned based on the location I have chosen, and if I do not pick up my share or make alternative arrangements, I understand that my share will be sold or donated elsewhere. I also understand my payment is nonrefundable.
